- They wanted to make some money.
- They thought it would be safe and easy.
- They went along with it because their friends were involved too.

- They are a cheap way of him dealing drugs.

4. What would you do if someone asked you deal or move drugs in exchange for a lot of money?

Suggested answers:

- This could be answered in many different ways, including humourously, however it is possible that some young people are undeterred by the opportunity which could be a safeguarding concen and require further dedicated learning.

TRUE OR FALSE QUIZ

1 TRUE OR FALSE?

Anything that could be used to harm another person, such as a sharpened comb or pen is legally classed as an offensive weapon and is illegal to carry with you.

It's also illegal to carry a 'disguised knife' - anything with a concealed blade or sharp point that's made to look like an everyday object (like a pen, cigarette lighter or lipstick).

7 TRUE OR FALSE?

TRUE

Even if it's not you who does it, if someone is injured or killed by a knife in your presence you could be sent to prison for murder or attempted murder in what is referred to as 'joint enterprise'.

5 TRUE OR FALSE?

It's illegal for shops to sell knives to anyone under 18 and buying a knife under the age of 18 is an offence.

This includes kitchen knives and even cutlery.

TRUE

6 TRUE OR FALSE?

99% of young people aged 10-29 don't carry a knife.

It is rare, so you shouldn't feel like everyone is a risk to you.

TRUE

8 TRUE OR FALSE?

People can only die if they are stabbed in the heart.

There is no 'safe place' to stab someone. Get stabbed in the heart and you can lose all of your blood in one minute. But a wound in the arm or the leg can still kill and young people have died from wounds to the leg because an artery was severed.

FALSE

9 TRUE OR FALSE?

Only people involved in gangs get stabbed.

FALSE

Knife crime can affect anyone, not just people in gangs. Innocent bystanders can get caught in the middle of other people's disputes and suffer trauma, serious injuries or worse.

10 TRUE OR FALSE?

Carrying a knife makes you safer from being attacked

Police estimate that by carrying a knife, you are much more likely to get stabbed yourself as situations involving weapons can quickly get out of control.

FALSE

11 TRUE OR FALSE?

Having a criminal record can prevent you from getting some types of jobs, going to college and university, and travelling to some countries.

Your criminal record is permanent and checks can be made from which potential employers, colleges or universities might withdraw an offer.

Countries such as the USA and Canada may not allow someone with a criminal record in, even if it is just for holiday.
